Please provide full details your craft below. If you haven't taken part in our events previously please also include a few images of your work with this form, if you do not have an internet presence. Before you return this form our participation Criteria is on the Take Part page of our website should you need to check if you are eligible to apply to take part in our events. <b><i>If you have multiple crafts, have expanded and/or diversified on your core craft, or have commissioned your work to be printed onto, or made into, a variety of products then if accepted you will be advised whether you will be able to include them in your display. This is because it could increase the overall number of specific crafts to a level that is deemed excessive, thus diluting the market and unfair to those exhibitors with just one main craft.</i></b>
